

Dan Rippon and Debbie Keal are an exciting and dynamic partnership, who have been dancing Modern Jive for over 10 years. They have been teaching and competing together at the Champions level since 2013. Together, and individually they have impressive competition records spanning 6+ years in New Zealand and abroad. They hold the NZ National titles for 2014, 2016 and 2017 and have been on the podium at every event attended since their partnership began. They continue to push the boundaries in movement, music and fun and love to pass on their learnings to develop students of all levels.

Between them they have taught extensively through private lessons, regular weekly classes and at events in Auckland, Hamilton, Wellington, Christchurch, Dunedin, Palmerston North, Taranaki, Sydney, Gold Coast and the Central Coast. They have a strong understanding of movement with experience in a number of other styles including West Coast Swing and Contemporary and having studied Anatomy. They are passionate about responsive dancing, and are big on fun - you will always see these two tearing up the social floor, smiles on dials.

They cannot wait to share their love of Modern Jive with you at Cerocmania 2018!
